

# Front Doors & Lobby Refurbishment Project to Commence on Sunday 22nd January

Wednesday 11th January 2023

The Club will be carrying out a refurbishment project to improve and update the lobby area, generously supported by the Friends of the RAF Club. The work will consist of new front doors, a new reception desk, new carpet and the area will be re-decorated.

Works will start on Sunday 22nd January 2023 and will take approximately 6 weeks to complete, with a projected finish date of 2nd March 2023.

From 12 noon on the Sunday 22nd January, the front doors will be closed and access to the Club during this period will be via 6 Old Park Lane, where the relevant signage will be in place to direct you.

Our temporary reception will be located in the Churchill Bar on the ground floor.

If you are arriving at the Club later than 2300hrs, please make a note when making your reservation.

We would like to encourage all Members to produce their membership card on arrival so that details can be checked on our Membership system. We will also use this information for data analysis purposes.

Thank you for your understanding and kind co-operation and we look forward to a successful refurbishment.
